Personal statement

A very motivated second year BSC Computer Science and Engineering Student on route to an upper second classification. My studies have given me a comprehensive understanding of many parts of IT including but not limited to Web Design and Development, Information Technology Security, Database Systems, Object and Event Oriented Programming, and Client Server Architecture. I have many years of working experience which has allowed me to work within a team, work hard, and work effectively to a given project.

Key Skills

- Complete understanding of HTML, CSS, and JavaScript
- Well informed in Python and Java
- Clear grasp of MySQL
- Knowledgeable in subnetting and other network calculations etc.

Employment History

July 2014- Special Educational Needs Teaching Assistant- Oak View

This was a work experience placement at Oak View primary school. I was tasked with assisting the pupils with reading, writing and numeracy during class. This was an excellent opportunity to help others and gave me a great chance to show off my skills.

June 2016- Kitchen Porter- Beales Hotel

For this role I was given an opportunity to work for Beales Hotel. Within this role I was in charge of maintaining the kitchen, this included basic food preparation, the ordering and organising of staff uniform, recycling and washing up. This placement gave me the opportunity to develop my understanding of the workplace.

February 2017- Kitchen Porter- Tabure

Within this role I was provided with a chance to work alongside the Tabure restaurant. The role included the maintenance of the kitchen, food preparation, washing up and recycling. This placement allowed me to understand more about the workplace environment.

April 2018- Facilities Support 1- Computacenter

This position tasked me with the upkeep of Computacenter headquarters. The role included cleaning, warehouse work and the training of new recruits. This opportunity gave me the chance to see my ideal work environment and helped motivate me to study Computer Science and Engineering at university.
